LUCAS FURTADO

DATA ANALYST

Florianópolis – SC | +55 11 970425090 | furtluc_mi@hotmail.com | LinkedIn | Github

SUMMARY

Data Analyst with experience in SQL, Power BI, Python, data modeling and transformation, process automation, ETL, and data pipeline development.

PROFESSIONAL EXPERIENCE

Jun/2025 - Present

DATA ANALYST • ELOSAÚDE

Responsible for data modeling and structuring, Power BI dashboard development, building and maintaining data transformation processes, and KPI monitoring. Primarily focused on the MAXcare project, consolidating data from plan sponsors to support management analysis and monitor health plan performance.

Mar/2022 - Mar/2025

TAX CONSULTANT • DELOITTE

Delivered tax projects using SQL for data querying, Power BI for management reporting, and Python for process automation. Participated in a Staff Loan engagement at Amazon, contributing to technical improvements in the inbound process using Alteryx.

EDUCATION

Fev/2020 – Jan/2022

TECHNOLOGY DEGREE • FACULDADE IMPACTA

Systems Analysis and Development.
